Application for the opening of habilitation procedure

Dear Mrs. Dean,

in accordance with the Habilitation Regulations of the Faculty of Electrical Engineering and Information Technology, I hereby apply for the opening of the habilitation procedure. The authorisation to teach is sought for the following scientific field:

The enclosures and proofs according to §2 and §4(2) of the Habilitation Regulations are attached.

If you have any questions, please do not hesitate to contact me at any time.

With best regards

Signature
